DEPARTMENT OF EMERGENCY MEDICINE

Our Ref: CM/KL/CHoICE

14th November 2017

Mr Paul Robinson
Director of Finance
CHoICE Ltd.
Sunderland Royal Hospital

Dear Mr Robinson,

On behalf of City Hospitals Sunderland NHS Foundation Trust Resuscitation Group, I would like to formally thank you for the most generous donation your company has kindly given us.

This has allowed CHS Resuscitation Department to purchase 11 Philips XL+ and 4 Philips FR3 defibrillators. These vital pieces of equipment are potentially life-saving, and to have such state of the art machines available to benefit our most critically unwell patients is truly marvellous.

Many thanks for this tremendous gesture and for assisting us at CHS in putting the highest standards of patient care firmly where they should be, as our highest priority.

Regards,

Dr Cath Motwani
Associate Specialist in Emergency Medicine
Chair, City Hospitals Sunderland Resuscitation Group
